Product properties

- High load capacity: fixing materials for concrete walls provided
- Extra grip: includes anti-slip handle
- Concealed fittings: no visible mounting hardware after installation
- Excellent ease of use: the 25 mm diameter of the tube used for the handle leaves plenty of space between the handle and the wall for added grip
- Testing and inspection: tested and approved in compliance with the latest TÜV standards
- Maximum load capacity: this product can support up to 150 kg
- Warranty: this range comes with a 15-year guarantee

Quality is in our DNA. Our accessories last a lifetime and can be found in the world's best-known hotels and luxurious cruise ships, where the products are used intensively and where our accessories have to meet high requirements when it comes to design, functionality, installation and ease of use.
