Opal

Met Opal gaan we weer even helemaal terug naar de basis. Rond en rechthoekig, het zijn de meest elementaire vormen in design. Kenmerkend aan het ontwerp is de zwevende cover. De Opal-collectie laat zien dat een speelse vormgeving ook een luxueuze uitstraling kan hebben.

We go back to basics with Opal. Circular and rectangular; the most elementary shapes in design. A simple shape, yet an ingenious design. A characteristic of this design is the exciting, floating cover. The Opal collection shows that a playful design can also have a luxurious appearance.
